

# Hillingdon Local Area Co-Production charter

Easy read version for children and young people

# All professionals work towards ensuring young people and families feel positive about their SEND experience in Hillingdon.

## Value Lived Experience

Respect what children, young people and their families say and value it. Focus on the needs of children, young people and their families.

## Open and Honest

Honest communication needs to happen regularly . Children, young people and their families should be encouraged and allowed to say what they think, and adults should help them to do this by actively listening.

## Responsive and Accountable

Everyone needs to work together to do what has been agreed and do their role to the best of their ability. Learn from mistakes and work together to improve.

## Do what matters

Everyone agrees how it is best to work together to support children and young people to be happy and successful in their lives. Make sure that everyone feels valued.

## Work Together

Everyone agrees the priorities for the children and young people, and work together to implement these to a high standard.
