

Briefing for stakeholders 3

1. Recorded data

The West Area BCU (Hillingdon, Ealing and Hounslow) has seen a year-on-year increase in DA Offences (using the police data for the last 12 weeks) of 10% (406 recorded offences compared to 369 offences).

In the last 4 weeks there has been an increase of 25 recorded crime (+21.9%) - 139 DA Offences from 114.

West Area BCU:

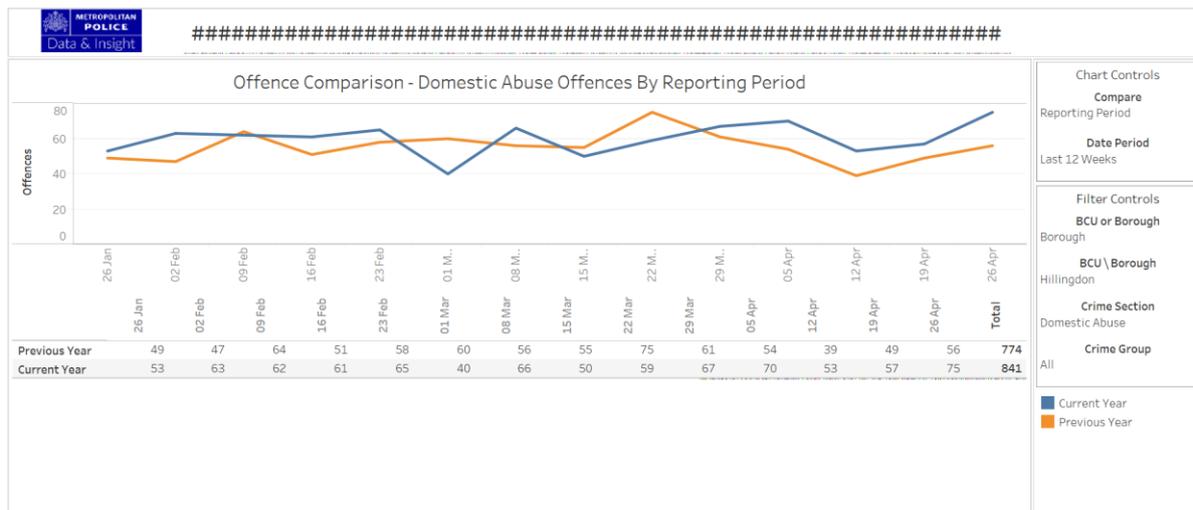

Hillingdon Borough:

Data shows for the last 12 weeks shows an increase of 67 DA Offences (+8.66%) compared to the same period last year (up from 369 to 406).

In the last 4 weeks there has a 28.78% increase in recorded DA offences compared to the same 4 weeks in the previous 12 months (255 recorded offences compared to 198).

Hillingdon Borough:

In addition, it is worth noting that this police data does NOT include the non-crime element, which invariably would be higher than the DA Offence data.

Recommendation: That the wider partnership markets and broadcasts the availability of DA support services on the borough and across London and encourage the safe reporting of DA.

The Metropolitan Police Service (MPS) has reported that they have made 4093 arrests in London in the 6 weeks period to 19th April 2020, which is an average of 100 arrests for DA Offences per day.

In addition, the MPS has reported an increase of 9% in DA Incidents (this is a combination of crimes and non-crimes) over the period March 9 - April 19.

There have also been 2 DA murders in London.

Hillingdon IDVA Service

The Hillingdon IDVA Service, whose staff are operating remotely have managed an average of 15 new high risk referrals per week. In April 2020 so far there have been 64 referrals to the IDVA Service. This 'mirrors' the 63 referrals in April 2019.

In FY 2019/20 there were 777 referrals to this service. This represents an increase of 3.46% compared to FY 2018/19.

This is the highest annual number of referrals managed by this service.

DA MARAC

There is an average of 25 referrals to the DA MARAC at the last MARAC meeting on April 9th. The next MARAC meeting is on May 8th. See below for the DA MARAC Coordinator's contact details.

Multi-Agency Safeguarding Hub (MASH)

In the 4 weeks to April 21st the MASH has received 382 Child Merlin reports of which 157 have a DA element to them.

There is a general upward trend in the number of Merlin reports that have a DA element to them.

Currently, Operation Encompass continues to operate in the borough. For more information please visit: <https://www.operationencompass.org/>
