

Briefing for stakeholders #8

Introductory Note

The Stakeholders' Briefings can be found in the Council's website DA Pages accessed via <https://www.hillingdon.gov.uk/abuse> In the left side of the screen there is a section marked Stakeholder Briefing, click on the link and you will go to the current and previous briefings.

After this week the briefing will be posted directly into the web site. We will occasionally send you reminders.

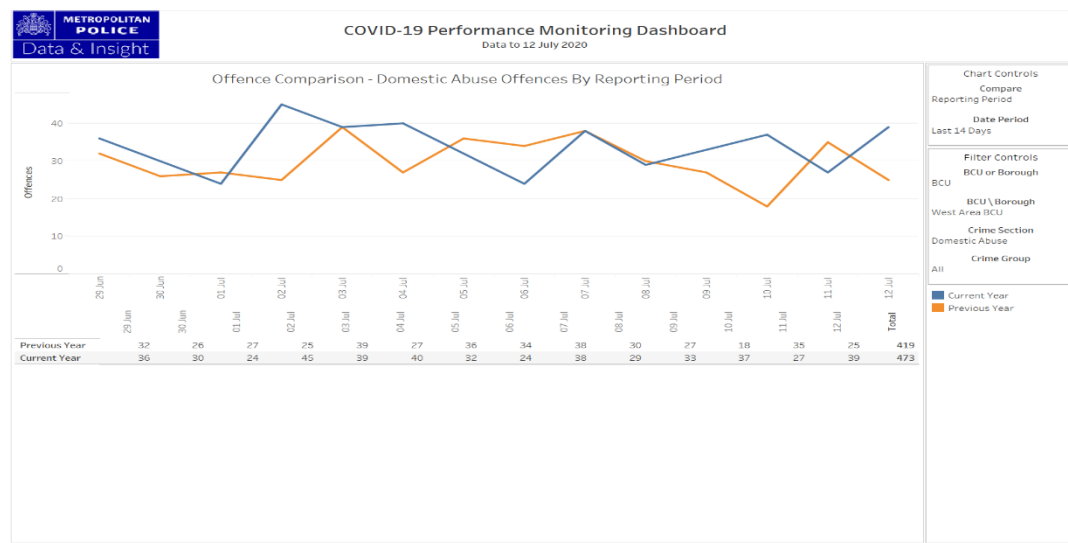

1. Recorded data

West Area BCU (to 12 July 2020):

BCU incident data shows a decrease from 425 to 380 to last week. This is an increase of seven incidents in the same period last year. Offences of violence with injury have decreased from 60 offences down to 57. This is an increase of nine offences from last year.

In the last 2 weeks there has been an increase of +12.8 in recorded DA offences compared to the same period last year.

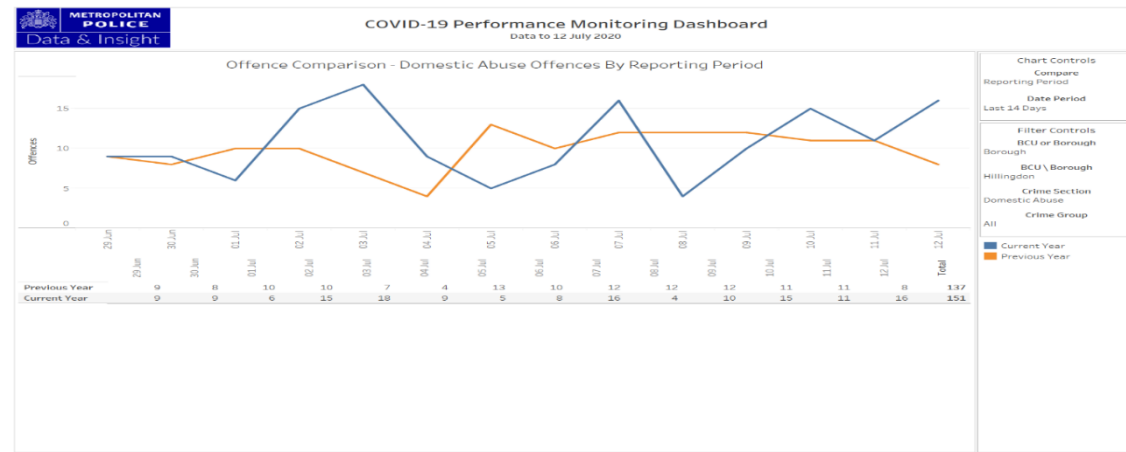

Please note that the numbers will fluctuate week on week due to late / delayed reporting.

Hillingdon Borough (data to 12 July 2020):

In the last week, there has been an increase in DA offences from 71 to 80 offences. This is an increase of four offences from the same period last year. VWI offences have increased from 19 to 22 offences. This is an increase of five offences from the previous year.

In the past 2 weeks there has been an increase of 10.2% in recorded DA Offences compared to the same period last year.

In addition, it is worth noting that the police data for Hillingdon Borough does NOT include the non-crime element, which invariably would be higher than the recorded DA Offence data.

Recommendation: That the wider partnership markets and broadcasts the availability of DA support services on the borough and across London and encourage the safe reporting of DA. Refer to the Local Resources Guide access via <https://hillington.gov.uk/abuse>

Metropolitan Police Service (ALL Boroughs) 1 April 2019 – 31 March 2020

Key areas of work under development:

Night Time Economy (NTE) Strategy supported by Safe Spaces Scheme and Bystander Initiatives. In addition, such initiatives also support our work in developing a local Employers' Initiative recognising the importance of our people and internal communities.

We would welcome your contributions, support and involvement in the above work.

Action Point: In the coming weeks as part of the 3 year strategic delivery plan, we are going to seek your support regarding a focused initiative for local Employers (in their approaches to supporting staff and tackling DA and a wider Safer Spaces Scheme).

XXXX CrimeStoppers Campaign launched XXXX

The Council has been working with CrimeStoppers London on a local campaign to raise awareness of DA in / with our communities. The public space and social media messaging will be focussed on victims, family / friends / neighbours and perpetrators.

Some campaign messaging and imagery focussed on perpetrators and 'bystanders':

Action Point: Please can your communications team promote the Crimestoppers campaign across your social media platforms. See separate report.

4. Our ASK

Please:

- i) Do let us know if your Organisation / Agency is receiving an increase in referral of DA cases.
 - ii) Provide us with any information or sources you think maybe useful.
 - iii) Provide us with any concerns, information of note, trends or community intelligence
- The impact on domestic abuse and victims / survivors is well documented and publicised. Less so, is that associated with Honour Based Abuse, Forced

Marriage and other forms of harmful traditional practice including Child Abuse linked Faith or Belief (CALF). Health, Social care and other front line professionals should be alert to these additional risks associated with COVID19. The National FGM Centre accessed via <http://nationalfgmcentre.org.uk/> is a good source of information and support. Additionally, checkout the Council's resources guide accessed via the Council's DA web pages (details above).

- Please let us know if you do not wish to receive these briefings.
