

## Statement of Compliance with Examiners Recommendations

The Examiner's Report on Hillingdon's Draft Charging Schedule was issued to the Council in February 2014. The report set out a number of recommended modifications to the Charging Schedule, which were reported to Cabinet on 24<sup>th</sup> April 2014 and to Full Council on 10<sup>th</sup> July 2014. The following table sets out how these modifications have been implemented.

Modification Reference	Examiner's Recommended Modification	Amendments to the Charging Schedule
EM1	Amend Table 3.1 to clarify that the rate for large format retail only applies outside of designated town centres.  Include maps in the Charging Schedule identifying the town centres.	Table 3.1 has been amended to confirm that the charging rate for retail uses only applies outside of designated town centres.  Maps for designated town centres are included at Appendix A of the Charging Schedule.
EM2	Amend the description of the rate for large format retail so that it only applies to A1 uses in Table 3.1 and paragraph 2.3.	Table 3.1 and paragraph 2.3 have been amended in accordance with this recommendation.
EM3	Delete references to a Sui Generis rate from Table 3.1, paragraph 2.3, paragraph 5.6 and paragraph 5.7.	Table 3.1 and paragraphs 2.3, 5.6 and 5.7 of the charging schedule have been amended in accordance with this recommendation.
