

## Stakeholder Briefing #11

### **Notice**

#### **Covid-19 Pandemic**

You will be aware that London has now been assessed as Covid Alert Level – High and restrictions are in place. See further information here: <https://www.gov.uk/guidance/local-covid-alert-levels-what-you-need-to-know>

*“you must not socialise with anybody outside of your household or support bubble in any indoor setting, whether at home or in a public place”* - what is the impact on domestic abuse victims and survivors? See the police recorded data.

What impact do the rules and restrictions have on the delivery of your services to domestic abuse victims, survivors and their families?

#### **‘White Ribbon’ Campaign 2020/21 – Reserve the date.**

- The Council and its partners are committed to the White Ribbon Campaign. The annual campaign launch event is taking place on the morning of 26<sup>th</sup> November 2020.
- Further details will follow shortly, although as you would expect the format will be different from previous years.
- The focus this year is the Employers’ Initiative and the creation of Safe Spaces

### **Recorded Data**

#### **Police recorded DA**

#### **Hillingdon Borough**

### **Other key areas of work – Linked to the DA Strategy 2018 - 2021**

- The Council’s approach to business delivery during the Covid 19 pandemic is well established including departments’ response to domestic abuse. Key services are being delivered to victims and their families in safe way in accordance with rules and regulations
  - In its last meeting on October 6<sup>th</sup> the DASE meeting asked that internal and external departments and agencies commence preparing for additional COVID-19 restrictions
- **DA Housing Alliance (DAHA).** The Council is in the process of working towards DAHA accreditation.
- **A local focused Employers’ Initiative and Safe Spaces Scheme has been launched.** Using Central Government funding the Hillingdon Women’s Centre, GRoW and The Sharan Project are leading on this project with the support of Hillingdon Council until the February 2021.
  - This funding will enable the project team to provide training and supporting products free of charge.
  - This short-term initiative is the foundation of the LBH’s longer-term project plan.
