ADMISSION CRITERIA AND ARRANGEMENTS FOR HEATHROW PRIMARY SCHOOL

When the school is oversubscribed, after the admission of pupils with an Education, Health & Care Plan where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below:

<p>1. A looked after child (as defined in the Children Act 1989) or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.</p>
<p>2. Children who suffer from a long term medical or social condition, which makes it necessary for them to attend a particular school.</p>
<p>3. Children who have a member of the immediate family who suffer from a long term medical or social condition which makes it necessary for them to attend a particular school.</p>
<p>4. Children who have a sibling* living within the defined boundary area (identified below).</p>
<p>5. Children who have a sibling* who was admitted to the full-time school prior to 31st August 2017.</p>
<p>6. Children of staff where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.</p>
<p>7. Children living nearest the school within the defined boundary area (identified below).</p>
<p>8. Children who have a sibling* living outside of the defined boundary area (identified below).</p>
<p>9. Children living outside of the defined boundary area (identified below).</p>
<p>Priority will be given within each criterion for those living nearest the school according to distance which will be measured in a straight line from the point set by Ordnance Survey at the child's home address and the school using Hillingdon Council's computerised mapping system.</p> <p>The supporting evidence in Criteria 2 and 3 above should set out the particular reasons why the school in question is the most suitable and the difficulties that would be caused if the child had to attend another school. The admission authority cannot give higher priority to children under these criteria if the required documents have not been produced. Applications</p>

must be supported by medical evidence from a GP or Hospital Consultant. Please refer to page 5 for full information on the medical criteria.

* For the purposes of criteria 4, 5 and 8, a sibling is defined as a brother or sister, half brother or sister with at least one parent in common, adopted brother or sister living in the same household who currently attends the full-time school (not the nursery) and will continue to do so on the date of admission.

ADMISSION ARRANGEMENTS FOR IN YEAR AND NURSERY ADMISSIONS TO HEATHROW PRIMARY SCHOOL

EDUCATION, HEALTH AND CARE PLAN

Children with an Education Health Care Plan (EHCP) will be placed under the latest Special Education Needs and Disability (SEND) regulations. Children with an EHCP that names a school will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with an EHCP that has named the school. Placements in special schools and special resource units located in Hillingdon are determined outside of these arrangements using the London Borough of Hillingdon SEND published protocols.

IN YEAR ADMISSIONS

The following applications will be treated as in-year admissions during 2023/24:

- applications for admission to Reception which are received after 1 September 2023;
- for any school which has a published admission number (PAN) for Year 3, applications for admission to Year 3 which are received after 1 September 2023;
- all other applications for admission to Years 1 to 6 and 8 to 11

Parents must apply directly to the admission authority for a community school or schools of their preference. The Local Authority is the admission authority for Community Schools. Academies, Voluntary Aided Schools, Foundation Schools, Free Schools are their own admission authorities. Parents can either apply directly to the non-community schools or through the Local Authority.

The relevant admission authority will make available a suitable form on which an application may be made. The Local Authority will make available a suitable form for parents to complete when applying for a place at any school for which they are not the admission authority as required.

Every admission authority is required to notify the Local Authority of both the application and the outcome of the application so that the Local Authority can meet its statutory duty to keep up to date figures on the availability of school places in the area.

Admission authorities must inform parents of their right of appeal against refusal of a place.

NURSERY ADMISSIONS

The local authority has delegated the admissions of nursery children to the governing body of community schools/nurseries. Applicants wishing to apply for a place must complete the application form and submit it directly to the school or nursery that they wish to apply for, in accordance with the dates set by the school.

Each nursery class within community infant and primary schools will either operate one or two part-time sessions of up to 3 hours a day or may also operate full-time provision for children of parents who meet the criteria for an offer of a full-time nursery place for children of working parents, depending on the school. This means that children might normally attend in the morning or afternoon, although if the school is offering the place more flexibly this could be over a longer period. Children attending a nursery in a community infant or primary school would normally either attend for 5 morning or 5 afternoon sessions per week. If the school is offering full-time nursery provision for working parents (as defined by government guidelines), children would normally attend both morning and afternoon sessions, 5 days per week. Further information about individual nursery arrangements can be sought from the nursery school direct.

Attendance at a nursery does not guarantee a place in the reception of the school. In some instances, not all children attending the nursery will be allocated a place in the full-time school as there may be children not in the nursery who have a higher priority in respect of a full-time place.

LOOKED AFTER AND PREVIOUSLY LOOKED AFTER CHILDREN

Within the admission arrangements for all community schools looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), eg fostered or living in a children's home, at the time an application for a school is made;
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989) and;
- Children who have been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (in accordance with Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (in accordance with Section 46 adoption orders).

Places will be allocated under this criterion when places are first offered at a school. In addition, the local authority may also ask schools to admit over their published admission number at other times under this criterion.

DEFINITIONS AND ADDITIONAL PROCESSES

MEDICAL/SOCIAL APPLICATIONS

All community school admission arrangements include a medical/social criterion that gives priority for children (or children with immediate family members) who suffer from a long-term medical condition or have a social reason that makes it necessary that they attend a particular school and where attendance at any other school would present significant difficulties that cannot be overcome with reasonable adjustments.

Medical applications are considered on a case-by-case basis, the intention of the criteria is that it should normally only be applied to children who need to attend their nearest school (or nearest suitable school) where mobility is a concern for either the child or a family member with sole responsibility for taking that child to school. The criteria may also be applied if a school has specific resources to cope with a particular medical condition that no other school within a reasonable distance can provide.

Currently, however, all primary schools are equally well-equipped to cope with any long-term medical condition that does not require an Education, Health and Care Plan. Decisions about whether to allow the medical criteria

are made by the admissions authority and are required to be fair and consistent.

It is not possible to consider continuation of education from a school nursery to the mainstream school under the medical criteria. This is because nursery admissions procedures are normally carried out by the school and are not regulated or co-ordinated by the local authority. If a school were to give priority to children already attending its nursery, it would disadvantage parents of children who wish to attend the school but chose to send their children to a private nursery or chose not to send their children to a nursery and who live closer to the school.

Applications made under the medical criteria must be accompanied with details about the medical condition at the time of application and this must include written evidence from a GP/hospital consultant which clearly explains why a place is required at one particular school and the difficulties that would be experienced by the child or the family were the child to attend any other school.

Applications made under the social criteria must be accompanied with details about the social reason(s) that you would like to be considered and may include letters of support from professionals.

A decision will be made by the admissions committee to determine whether the medical/social criteria should be applied. The decision will be based on the evidence of need rather than a doctor's or other professionals' personal recommendation that a place is required at a particular school.

WAITING LISTS

Waiting lists for Community Schools are maintained by the LA in accordance with the published admission criteria. Children's names will be added to the list at the request of a parent (in the case of in year applications) and places will be offered throughout the year as vacancies arise. Children may move down the waiting list if another family applies, with a higher priority under the admission criteria.

In the case of a new reception application, the child's name will automatically be placed on the waiting list for Hillingdon Community schools which were a higher preference than the offer made. Parents who wish their child to be added to the waiting list of a lower preference must reapply for a place at that school. Waiting lists are not compiled on a first come first served basis and so time on the list does not give any priority. A child's position on the waiting lists will be held for the academic year in which they apply.

Waiting lists for community schools will be maintained until the last day of the Summer term 2023 when they will be cancelled. Parents will be prompted to re-register their interest with the School Placement and Admissions Team should they wish to remain on a waiting list for future academic years.

DISTANCE CRITERION

Distance is measured in a straight line from the child's home address (as defined below) to the school, using a Graphical Information System (GIS)

which is based on Ordnance Survey data. The measurement is from the address point for the home address to the agreed address point for the school. The grid reference address points for community schools can be found in Appendix 1.

Distance is also used to determine priority within each criterion where there is more than one applicant who meets that criteria.

TIE BREAKER

Where two or more children share a priority for a place, eg where two children live equidistant from a community school and only one place remains, Hillingdon Council will use a computerised random allocation to determine which child should be given priority.

Where the child lives in a block of flats with a communal entrance the centre point used is the central point of the block of flats (as defined by Ordnance Survey) and not the individual flat. If children are tied for the final place(s) to be allocated within a single block of flats, priority for the final place(s) will be determined by random allocation (as described above).

HOME ADDRESS

The address you provide must be your child's permanent address at the time/close of application. You must not use a business address, childminders or relative's address, or any address other than your home address. Only in circumstances where the relative or carer has legal guardianship, and is the main carer, will a different address be considered as the main residence. Evidence will be requested to support this arrangement.

SHARED OR JOINT RESIDENCY

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. The declaration (including the addresses of both parents) must be submitted at the time of making the original application.

If no joint declaration is received by the closing date for applications and the residence is split equally, Hillingdon will consider the address of the parent who is in receipt of Child Benefit or if Child Benefit is not being received, the address at which the child is registered with a doctor (GP.) You must send us a copy of your latest benefit entitlement notice or your child's medical card. We may also ask for further evidence if required.

Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify Hillingdon Council of any change of address.

TEMPORARY ADDRESSES

A temporary address may not be accepted if you still own a property that was previously used as a home address, or a temporary address which the Admissions Authority consider to be solely or mainly used to obtain a school place. If you own more than one property the Admissions Authority may only consider the given address if you have lived there for a year prior to the

closing date of application (including rented, bought or living with a family member or friend).

You will be asked to provide additional information to explain why you are not using your permanent address, or another address identified as a result of our screening, or as a result of information obtained from the public. This may include utility bills, benefit claims and copies of mortgage or rent agreements. We will also check Hillingdon council records as well as other Local Authorities records to clarify whether or not you receive services or benefits at another address.

EVIDENCE/PROOF OF ADDRESS

You need to provide documentary evidence of address by including your Council Tax reference number (as shown on your annual bill or direct debit statement). If it is not possible to verify your address by this method, or further evidence is required, you will be contacted. In these cases, we will request that you provide one or more of the following documents:

- A mortgage/rent statement
- Recent utility bill
- Driving license (copy of your current driving licence)
- Household Insurance; A copy of your most recent household insurance (dated within the last 12 months)
- Letter confirming entitlement to benefits. For example, housing, income support, jobseekers (dated within the last three months)
- Motor policy insurance; A copy of your most recent motor policy insurance schedule (dated within the last 12 months)
- Child Benefit / Inland Revenue documents (if you are in receipt of either or both of these benefits); or
- Any other recently dated documents that we request depending on individual cases.

Please note that you can cover/erase any financial/personal information on these documents. The purpose of this document is to provide evidence of your address therefore we only require this to show your name, address and date of issue.

You must notify the School Placement and Admissions team if you move address. Your new address will not be updated until proof has been provided.

Any proof of address provided must show the full name and match the details provided at the time of application.

TIE BREAKER

Where two or more children share a priority for a place, eg where two children live equidistant from a community school and only one place remains, Hillingdon Council will use a computerised random allocation to determine which child should be given priority.

Where the child lives in a block of flats with a communal entrance the centre point used is the central point of the block of flats (as defined by Ordnance Survey) and not the individual flat. If children are tied for the final place(s) to 16 be allocated within a single block of flats, priority for the final place(s) will be determined by random allocation (as described above).

WITHDRAWAL OF PLACES

Places offered at oversubscribed school will be withdrawn if:

- the offer was made in error
- an incorrect address or other false information is supplied
- parent has not responded to an offer within a reasonable time. A further letter will be sent to advise parent that failure to respond will result in the place being withdrawn.

A place will not be withdrawn once a child has started at the school, except where that place was fraudulently obtained but the length of time the child has been at the school will be taken into account i.e., less than one term.

SIBLINGS

Generally, a sibling means a child's brother or sister, stepbrother or stepsister, with at least one parent in common, and/or an adopted brother or sister living in the same household. Cousins or other family members (even if living in the same household) do not qualify as a sibling. To qualify for the sibling criterion, the sibling must be attending the school named at the time of admission. If the sibling is already in year 6 and, come September, when the applicant will be starting the school, the sibling will no longer be attending, the sibling criterion may not be met.

MULTIPLE BIRTHS

Twins and children from multiple births when one of the siblings is the last child to be admitted at a community school will be offered over the published admission number unless to do so would prejudice the provision of efficient education or the efficient use of resources. In such cases, Hillingdon Council will use a computerised random allocation to determine which child should be given priority. Where it is not possible to offer each child a place the child(ren) ranked the highest will retain their offer and the applicant will be advised of their right of appeal and informed about waiting lists. For Key Stage 1 the child/children will be considered as an exception to the class size rule.

CHILD OF STAFF

Priority will be given to a child if their parent is a permanent member of staff at the school and meets either or both of the following circumstances: a) the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. For applications made as part of a normal intake, the length of employment will be considered as of the closing date for applications. Many non-community schools have a criterion for children of staff/teaching staff. If you work at a school for which you are applying, please indicate this and include the name of the school where you work on the application. Please check full definitions on individual school's published admission arrangements – available on their websites.

CHILDREN OF UK SERVICE PERSONNEL

Children of service personnel will not be disadvantaged in the admissions process as stated in the School Admissions Code 2021. For those families with a confirmed posting to this area, places will be allocated in advance of the family arriving in the area. The application must be accompanied by an official letter that declares a relocation date and a Unit postal address.

CHILDREN OF CROWN SERVANTS

The School Admissions Code requires that for families of Crown servants returning from overseas to live in that area, admission authorities must allocate a school place in advance of the family arriving in the area, provided their application is accompanied by an official letter declaring a relocation date.

Confirmation of relocation address

It is important that parents are able to provide admission authorities with some certainty as to their relocation address, in order to ensure that places are allocated fairly and in accordance with each school's admissions criteria. Where a parent is unable to provide any confirmation of a relocation address, they are advised to provide an indication of area, narrowed down as far as possible, to which the family intend to return.

Parents should keep admission authorities informed of any changes to their planned address during the application process and should note that without being able to provide any confirmation of a relocation address, an admission authority may not be able to process their application.

For the purpose of starting primary/secondary the application must be submitted by the deadline.

APPLICATIONS FROM ABROAD

If your child holds a full British Citizen passport that is endorsed to show a right of abode in the UK, an application could be accepted, even though they are not resident here yet. For the purpose of allocation, the abroad address must be used to process the application. This does not apply to Crown Servants and UK Service Personnel.

Evidence will be required to provide a link to an address in the London Borough of Hillingdon when the application is submitted. Evidence might include:

- Booked flights
- End of lease /notice to tenants in property
- Start of employment contract in area
- End of employment contract abroad

If this evidence cannot be provided the application may not be processed.

APPLICATIONS FOR FAMILIES ARRIVING FROM ABROAD. INCLUDING FROM THE EU, FROM 1 JANUARY 2021

In most cases, children arriving from overseas have the right to attend schools in England. It is the responsibility of parents to check that their children have a right, under their visa entry conditions, to study at a school before submitting an application.

FAIR ACCESS

The Fair Access Protocol is used by local authorities to place pupils applying for an in-year school place in schools where the child is hard to place, for example where there are no vacancies at a school within a reasonable distance or where there are behaviour concerns. Please see the London Borough of Hillingdon's website for the Fair Access Protocol.

The Protocol will not apply to a looked after child, or a child with an Education, Health and Care Plan naming the school in question, as these children must be admitted.

REQUESTS FOR ADMISSION TO SCHOOL OUTSIDE A CHILD'S AGE GROUP

Children are educated in school with others of their age group. However, parents may request that their child is exceptionally admitted outside their age group. The Admission Authority of a school must decide whether or not the individual child's circumstances make this appropriate on educational grounds. Such requests will only be agreed in exceptional circumstances.

Summer born

Parents of summer born children (those born between 1 April and 31 August) can request for their child to be admitted to reception a year later outside of their chronological year group, thereby starting school in Reception only once they reach statutory school age. This does not apply to children born in the autumn and spring as these children must legally be in school full time in the term after their fifth birthday.

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the closing date of allocation. The request for later admission should accompany the application. This enables the application to be processed and a school place secured in the child's actual age group if the request is refused by an Admission Authority. If the Admission Authority approves the request, the parent will be advised to re-apply in the following year and provide a copy of the decision. However, there can be no guarantee of a place being available at the school, as this is dependent on the number of applicants that year. It is not possible to reserve a place for the following year. Parents are therefore advised to have alternative arrangements in place.

Any decision is applicable only to the school for which the Admission Authority is responsible.

How to apply

- When a parent feels their child should be educated in a higher chronological age group, parents will need to apply for admission the year before the child would normally apply for school.
- Or when a parent would like their child educated in a lower chronological age group, parents would need to apply as part of the normal admissions round for a school, they should initially apply for a school place by 15 January in the year of the chronological cohort.
- In both instances, parents should put forward their request for their child to be educated out of their chronological year group along with any supporting evidence that they may have. They can complete the 'out of cohort request application' available on our web page.

Whilst there is no expectation for parents to obtain professional evidence that they do not already have, it may be useful to demonstrate why it would be in the child's best interests to be admitted out of their chronological year group. This process will ensure that an in-principle decision can be made in good time and that the child does not miss out on accessing a year of education should the request to educate out of the chronological year be refused.

However, any offer of a place in a child's correct chronological year group cannot be held until the following academic year.

As such, if an admission authority agrees in principle that an out of year group placement would be appropriate, the parent would have to apply again in the following year in order for their child's application to be considered according to the admission criteria for that school alongside other applicants in that year. In addition, one admission authority cannot be required to honour a decision made by another admission authority. Parents should therefore consider whether to request admission out of the normal year group at all their preference schools rather than just their first preference.

Where requests are received the decision will be made according to the circumstances of the case and what is in the best interest of the child. In each case, the decision will be made by the admission authority for the school, taking into consideration the following;

- Parent's views
- Head teacher's views
- Information about child's academic, social and emotional development
- Relevant medical history and views of a medical professional
- Previous experience of education outside of the child's normal age group
- Premature children who would be in a lower age group if not born prematurely.

DEFERRED ADMISSION

In Hillingdon, children can start school in the September immediately following the child's fourth birthday. Parents can request that the date their child is admitted to school is deferred until later in the year or until the child is statutory school age and can request that their child takes up the place part-time until this time.

Parents should discuss all the options with the Headteacher of the school taking into account their views of a child's maturity and readiness to enter reception class.

APPEALS

Where a place cannot be offered parents/applicants have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which they have applied.

Hillingdon Council is the admission authority for all community primary schools in Hillingdon and is responsible for arranging and hosting the appeal hearings for these schools. The timetable for organising and hearing community school appeals is as follows:

Year of entry	Appeals can be submitted	Appeal to be heard
Reception starting September 2023 (on-time application)	From 17 April 2023 - 15 May 2023	Will be heard within 40 school days of the deadline for lodging appeals. Will be heard

		before the end of the summer term 2023.
Year 3 starting September 2023 (on-time application)	From 17 April 2023 - 15 May 2023	Will be heard within 40 school days of the deadline for lodging appeals. Will be heard before the end of the summer term 2023.
Reception starting September 2023 (late application)	From 17 April 2023 - 31 August 2023	Will be heard within 40 school days from the deadline for lodging appeals where possible, or within 30 school days of the appeal being lodged. No guarantee that the appeal hearing will be arranged before the end of the summer term.
Year 3 starting September 2023 (late application)	From 17 April 2023 - 31 August 2023	Will be heard within 40 school days from the deadline for lodging appeals where possible, or within 30 school days of the appeal being lodged. No guarantee that the appeal hearing will be arranged before the end of the summer term.
In year applications September 2023 - July 2024	Throughout the academic year	Will be heard within 30 school days of the appeal being lodged.

Once an appeal has been lodged, appellants will receive at least 10 school days' notice of their appeal hearing date.

Appeal papers will be sent to all parties at least 5 school days prior to the appeal hearing.

Parents/applicants can submit additional evidence prior to the appeal hearing, however this should be submitted to the local authority at least 5 school days prior to the appeal hearing for the additional information to be considered.

RELEVANT AREA

The Relevant Area for the local authority is the whole of the borough of Hillingdon. This is the area in which admission authorities must consult with schools regarding their proposed admission arrangements before finalising them. The Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999 requires the Local Authority to consult on and review its Relevant Area every two years.

CONSULTATION/DETERMINATION

Each year, the Local Authority is required to draw up, consult on and determine:

Co-ordinated admission arrangements (schemes) for all schools in the Local Authority area for entry at the normal time of admission (Year R for Infant and Primary schools, Year 3 for Junior schools, Year 7 for Secondary schools and Year 10 for UTC's and Studio colleges). This can be found as a separate document (Hillingdon's Scheme of Coordination) on our website [Admission arrangements for Hillingdon community schools - Hillingdon Council](#)

This determined admission arrangements (2023-24) consultation was open from the 25 October 2021 until the 20 December 2021 (midday). This consultation period allowed parents, other schools, religious authorities, and the local community to raise any concerns about the proposed admission arrangements. Hillingdon Council made it clear in its consultation that it would constitute full acceptance to the proposed scheme, if no one chose to respond.
